You will have 50 minutes to take the exam which consists of 3 problems and 7 multiple choice questions.

You will need a Scantron form 882 (green form the size of a large envelope) for the multiple choice questions. Remember to erase any changes completely. (Bring a #2 pencil with an eraser.)

You are allowed one page of notes. The page of notes **MUST** be a **HAND WRITTEN** original (not photocopy...no part of the notes can be machine reproduced in any way). The page of notes **CANNOT** be larger than 8.5 by 11 inches. You can use both sides. If the page of notes does not meet these requirements then you will not be allowed to use them. ***Other Items and Hints:***

- Bring calculator / big keys are easy to work with. No ipods/laptops/cell phones/etc. allowed. Graphing calculators ok. Cell phones (and other wearable technology like smart watches, Google Glass, headphones etc.) are also not allowed. **EVEN HAVING AN UNUSED CELL PHONE OUT ON YOUR DESK ETC. IS CONSIDERED CHEATING. THE MINIMUM PENALTY IS A 10% LOSS IN GRADE.**
- There are multiple exam versions
- Budget your time 100 points and 50 minutes. 80/20 rule 80 percent of the points in 20 percent of the time. There is likely to be time pressure on this exam. Make sure you are

prepared and keep your eye on the clock. Use reasonable abbreviations such as AR for Accounts Receivable and AP for Accounts Payable.

- Show your work
- Workpapers will be provided... scratch paper not allowed
- If things don't balance; take a quick look. Then move on. Come back later at the end of the exam to try to make it balance. Go for the points don't try to make it perfect.
- You must use your equipment. It is considered cheating to share anything with another student.
- Use a pencil...NOT a pen.
- Dictionaries, electronic or hardcopy NOT allowed. If you don't know the meaning of a word ask the instructor. You may or may not get help at the discretion of the instructor.

***Problem Hints:***

14 PTS

Seven multiple choice questions @ two points each.

*(To get practice answering accounting multiple choice questions, you can work the Cengage "Adaptive Study Plan" assignments. For instance, the assignment for the first chapter is named "OPTIONAL Ch. 10 Study Plan". These Study Plans contain multiple choice quizzes that can help you prepare for the multiple choice questions on exams. You can take the quiz and then press the "Submit Quiz" button (upper right of screen) to see the results. However, DO NOT PRESS THE "SUBMIT ASSIGNMENT" BUTTON for the Study Plan itself. You only have one chance or "take" for this assignment. If you submit the assignment itself, you will not be able to see it after you submit it.*

These are examples of abbreviations you can use on exams. You can use them in journal entries and financial statements to save time. However, don't over abbreviate. For example WE would NOT be an acceptable abbreviation for wages expense. Use common sense.
