- Show your work
- Workpapers will be provided... scratch paper not allowed
- If things don't balance; take a quick look. Then move on. Come back later at the end of the exam to try to make it balance. Go for the points don't try to make it perfect.

Problem Hints:

14 PTS

Seven multiple choice questions @ two points each. SMALL HINT: CONTRACT RATE is also called FACE RATE, COUPON RATE, or STATED RATE.

(To get practice answering accounting multiple choice questions, you can work the Cengage "Adaptive Study Plan" assignments. For instance, the assignment for the first chapter is named "OPTIONAL Ch. 10 Study Plan". These Study Plans contain multiple choice quizzes that can help you prepare for the multiple choice questions on exams. You can take the quiz and then press the "Submit Quiz" button (upper right of screen) to see the results. However, DO NOT PRESS THE "SUBMIT ASSIGNMENT" BUTTON for the Study Plan itself. You only have one chance or "take" for this assignment. If you submit the assignment itself, you will not be able to see it after you submit it.
